Spiritual "To Do List" (things God has shown me today) **In the year of things As they ought not be** If we keep our heads down We fail to see That all around us In the midst of chaos Joy is bursting forth.

In the year of things As we wish they weren't We can run from the fire And still get burnt But the God who is for us Leads us in a chorus And joy is bursting forth.

In the year of things That are falling apart We can lift our eyes And guard our hearts Yes, this life is painful But, our God is faithful And joy is bursting forth.

In the year that feels Like a dumpster fire Our nerves are shot And our hearts are tired But the God who sees us Has come to redeem us And joy is bursting forth.

In the year of empires Crumbling down The waters are rising And we fear we might drown But the King of all nations Secures our salvation And joy is bursting forth.

In the year of things As they ought not be If we lift our eyes We are sure to see That all around us Are friends that love us And joy is bursting forth.
