Hebrews 1:3

Let us examine the phrase "the brightness of his glory."

The word for "brightness" is used only this one time in the Bible and means, literally, "out-radiating." The word picture conveyed is of the energy overflow from the sun. The sun constitutes a tremendous generator of energy, more than adequate to sustain all processes on Earth. However, these energies would be utterly useless for any such noble purpose if they could not somehow be transmitted from sun to Earth. They are transmitted, however, through the remarkable radiant energy known as sunlight, or solar radiation.

It is this figure that the writer is using. As the sun's rays are to the sun itself, so is Christ to the Godhead. He is "the light of the world" (John 8:12). It is He whose "goings forth" have been "everlasting" (Micah 5:2). His glorified countenance is "as the sun shineth in his strength" (Revelation 1:16). The Lord Jesus Christ is the life-giving radiation of the ineffable glory of the eternal One, from whose face one day the very heaven and earth will flee away (Revelation 20:11). "But unto you that fear my name shall the Sun of righteousness arise with healing in his wings [or 'outspreadings']" (Malachi 4:2).

And through this One who mediates God to us, we can enter boldly into His presence. "For God, who commanded the light to shine out of darkness, hath shined in our hearts, to give the light of the knowledge of the glory of God in the face of Jesus Christ" (II Corinthians 4:6).

God,

Who at sundry times and in divers manners spake in time past unto the fathers by the prophets,

Hath in these last days spoken unto us by his Son, whom He hath appointed heir of all things, by whom also He made the worlds;

Who being the brightness of His glory, and the express image of His person, and upholding all things by the word of His power, when He had by Himself purged our sins, sat down on the right hand of the

Majesty on high.
