

Notes:

Christmas occurred when God invaded Earth in a strange and marvelous way. A special child was born to improbable parents in an unlikely place at an inconvenient time and in an unwelcoming world. Yet heaven's light pierced the darkness and shone through the life of that unique baby. That light was and is an eternal light. God's light in Christ is a saving light that can keep the world from total destruction, from the ultimate darkness. The message is always true: "The light shines in the darkness, and the darkness did not overcome it" (John 1:5, NRSV). And it never will.

—Charles Ferrell

Bursting through December nights
That could be long and cold,
Our Christmas lights bring warmth and joy
With colors soft or bold.

Cascading from the rooftops,
And from trees both small and tall,
The lights cry out, "We have good news!"
We want to shout to all.

"You've seen the darkness earth can hold,
The sorrow, war and fear;
But God has sent his Son for all,
To show his Love is here.

"The darkness can't put out God's Light.
Christ's with us day by day,
Illuminating paths so we
Can follow in his way."

Light homes and streets and candles.
Make your world shine clear and bright.
God's love surrounds and blesses us.
Come, celebrate God's Light!
