Fourth Sunday in Lent

God, who is rich in mercy, for his great love wherewith he loved us, Even when we were dead in sins, hath quickened us together with Christ, (by grace ye are saved;) And hath raised us up together, and made us sit together in heavenly places in Christ Jesus:

That in the ages to come he might shew the exceeding riches of his grace in his kindness toward us through Christ Jesus.

For by grace are ye saved through faith; and that not of yourselves: it is the gift of God: Not of works, lest any man should boast.

For we are his workmanship, created in Christ Jesus unto good works, which God hath before ordained that we should walk in them.

Ephesians 2:4-10

What is prayer?

If the Bible is our food, then prayer is our air. It's the way by which we draw in the atmosphere of God.

Prayer is rich and varied. Sometimes we confess our sins in a prayer of penitence. Sometimes we praise God in worship and thanksgiving. Sometimes we ask God for help and grace to meet whatever comes our way. Sometimes we pray for other people. Sometimes we're quiet, knowing that when we stop clamoring and pleading our case, there comes a sense of God's reply, some intimation of his will, some message from him to us.

Remember that nothing God can ever give is comparable to himself. It is God we seek in prayer. Everything else is secondary.

Seven-year-old Kathy tried to quiet her younger brother during a church service. "Hush ... hush," she warned him. "You're not supposed to talk out loud in church."

"Why?" asked the brother. "Who's going to stop me?"

Kathy pointed to the rear of the sanctuary. "See those men standing back there? Well, those are the hushers!"

Several years ago, an expensive laboratory jet was approaching Edwards Air Force Base in California. When the pilot tried to lower the nose wheel to landing position, it didn't respond.

The co-pilot ran a quick check and traced the problem to a faulty relay panel. Recognizing the problem, he hunted around for something to bypass the relay and activate the nose gear.

He found a paper clip and bent it so that it bypassed the problem and triggered the nose gear. It worked like a charm, saving the expensive jet, not to mention the crew, from a crash landing.

At that moment, for that special job, the lowly paper clip was more important than the rest of the sophisticated equipment on the plane.

If God wants you at a specific moment, for a special job, are you willing to be shaped into the solution?
