Notes: Sermon Text Subject Spiritual "To Do List" (things God has shown me today)

"Hosanna" is an old Hebrew word that means "Save us, now!", which the Jews employed while they waved their palm branches and welcomed the Messiah into Jerusalem for the last time. Only in God's Kingdom is a cry for help equal to a shout of praise.

Christ's coming into Jerusalem thus remarkably, shows that he was not afraid of the power and malice of his enemies. This would encourage his disciples who were full of fear. Also, that he was not disquieted at the thoughts of his approaching sufferings. But all marked his humiliation; and these matters teach us not to mind high things, but to condescend to those of low estate. How ill it becomes Christians to take state, when Christ was so far from claiming it! They welcomed his person; Blessed is he that cometh, the "He that should come," so often promised, so long expected; he comes in the name of the Lord.

Let him have our best affections; he is a blessed Saviour, and brings blessings to us, and blessed be He that sent him. Praises be to our God, who is in the highest heavens, over all, God blessed for ever!

-Matthew Henry, 1706
