EVANGELIST - Dr. Stephen Manley

The son of a Methodist pastor, Stephen Manley grew up in Indiana and was called to the ministry as a young boy. After a spiritual revelation in high school left him radically altered in heart and mind, Stephen became passionate about promoting Jesus to a lost and dying world. With his wife Delphine, he founded the Stephen Manley Evangelistic Association (SMEA) and traveled around the world doing pastoral training and evangelistic meetings. The Manleys eventually settled in Tennessee and founded the Cross Style School of Practical Ministry. Come hear their fascinating story.

BIBLE Dr. Manley will lead Bible study each weekday at 10:30 am. His knowledge of the Word of God will bless and challenge us with the Truth that will sets us free.

SPECIAL MUSIC - Myrna Morgan Lloyd

Myrna has been singing for her Lord since she was two years old in her grandfather's church in the West Indies. Her dynamic and anointed voice and blended repertoire of contemporary gospel songs and traditional hymns will inspire and lift you to heavenly places. Myrna has blessed us in song several times in the past. Come hear her each evening.

WORSHIP LEADER – Rev. Ken Stanford

Rev. Ken Stanford serves as District Superintendent for the New England Church of the Nazarene. A gifted keyboard musician and worship leader, Ken is known for his sensitivity to the Lord's leading and blend of hymns and contemporary music. Come and be blessed by uplifting worship.

MISSIONARIES WORLD GOSPEL MISSIONS Robert and Holly Groom, Africa

Heart disease in Africa is among the highest in the world, and medical centers for its treatment are scarce. Bob Groom has extensive experience as a cardiovascular perfusionist (a technician who operates a heart-lung machine during open-heart surgery), and serves at Tenwek Hospital in Bomet, Kenya. The Grooms will also assist in the development of the new Billy Graham Memorial Cardiothoracic Treatment and Teaching Center at Tenwek Hospital. Bob will establish a training program for Africans and help coordinate cardiac teams coming for short-term missions. As part of the Tenwek team, Robert and Holly will provide compassionate care and spiritual healing in the name of Jesus.
