

“THE BLUE SHEET”
Journey in the Word 2025
70th Edition: June 8 – September 7
Pentecost - Summer

Welcome to the 70th edition of “The Blue Sheet Readings!” Wow – can you imagine! 70 editions! This edition will take us from Pentecost Sunday (Year C) through to Sept 7th. **APOLOGIES for the misprint of dates at the end of last edition. I had June 7 as Pentecost Sunday rather than June 8 – so I corrected it for this edition – YIKES!** As has been our practice, this edition follows the Revised Common Lectionary (RCL) Year C for Sunday readings. Once again, how special it is to join millions of believers around the world as we spend time in God’s Word together on our Sunday gatherings.

This edition, like many previous editions, will spend the entire summer reading through the Book of Acts. It would be of great benefit for us to take note of both the activity of the Spirit, as well as the response of the various people in the book of Acts. My prayer is that as we read, we will also deepen our awareness of the work of the Holy Spirit – not only within us, but especially around us.

We will also focus on two letters of Paul towards the end of our readings. The first one will be Colossians. An incredible letter with much focus on the work of the Spirit in our lives. Connected to this is the short letter from Paul to Philemon. Many times, this letter gets overlooked. Reading a good commentary will help develop a significant focus on the dynamics of Paul (in chains) writing to his friend, Philemon, concerning Onesimus (also mentioned in Colossians). This letter gives great insight into Paul’s heart. As you read, ask the Holy Spirit to open your heart to the relationships with which you journey together. And notice at the end, the names of the individuals Paul shares while keeping in mind the most recent letter we read in this Blue Sheet edition of Paul to the Colossian believers.

As usual, some great resources to consider while reading is the **New Beacon Bible Commentary on Acts** by Richard Thompson, as well as the **New Beacon Bible Commentary on Ephesians, Colossians, Philemon**, by George Lyons, Robert Smith, & Kara Lyons-Pardue, all published by *The Foundry Publishing Co (Beacon Hill Press)*

As always, please share your discoveries with others, for as you know, the Scriptures are written to be heard, read, and lived within community. Enjoy spending time in the Word this season and we pray that the Word will spend time in you! Maybe you would take this summer to begin journaling – in your own style...a good spiritual discipline to follow as well. Thx – pk!

One more encouragement, download the Lectio 365 app connected with 24-7prayer.com The summer is a great time to develop a new spiritual formational practice.

Some Suggestions

- ~ Find a quiet place
- ~ Try to find a consistent time
- ~ Pick up a journal or composition notebook as a companion to your readings
- ~ Write down one verse (or more than one) that stands out to you from each reading with the date of that reading
- ~ Share at least one verse with at least one person during the week
- ~ If you miss a day, don't go back, start with the current date
- ~ Enjoy the journey
- ~ Whatever you do, don't give up!
- ~ For a great challenge, read these passages from a different translation than the one you normally read from.
