December 2018

From the desk of Pastor Mark Hollinger

Christmas is here and it came earlier this year than it did last! I am sure that it will manage to come earlier next year. The date hasn't moved but the sales promotions, holiday music and the Christmas specials have moved to an earlier date of airing and offering than in the years past. I suppose it may always be this way until we actually have Christmas in July and then where will those Christmas in July parties and promotions be then?

I should be happy that our society wants more of Christmas. But of course the disconnect with our society and we as Christians is the meaning and purpose of Christmas. The songs are great—although they're pretty much all secular with little mention of Jesus or Lord or God's true might. ("The River" in Toledo, 101.5 FM, started playing Christmas music the first of November and yesterday I intentionally listened to the songs until I heard some mention of God and it took five songs until that happened). I don't mind the sales and specials because gift giving and thinking of others is a good part of where Christmas is centered. But so much is lost on the "me" doing and getting for Christmas rather than the Lord's giving and us praising the greatest of all gifts, love coming down to us in the person of Jesus, Christ.

Christmas is a very busy time of year for a pastor. We are not only trying to make sure that Christmas celebrations of the church traditions are good and to the glory of God. But we are also tending to the business of the coming year and the organizations of the ministries of the church and the activities for the coming year. As well as our family Christmas celebrations and of course gift giving and buying. But I still love Christmas. I don't get pressed over Christmas, much. (Well, alright—maybe just a little bit here and there). When I do get stressed I truly do remember that Christ is the meaning of Christmas and no matter what else happens I know that God loves us and wants us to have joy and peace that extends far beyond outside trappings and possessions.

Our Advent sermon series is "The Characters of Christmas" and we will be looking to and learning about shepherds, angels, Mary and Joseph and the Wiseman. We will see how that first Christmas two thousands touched their lives and challenged their spirit.

I would encourage you to embrace the true meaning of Christmas and be sure to be generous not to just your own but to those outside the church. We just had Operation Christmas Child and our church received over 80 gift boxes for children who might not have Christmas without those donations. We will be adopting some families for Christmas and Ch-Ki-Lo will have both their thanksgiving baskets and Christmas basket. In all of these we have an opportunity to give and thus be a reflection of God's giving to us the greatest gift that is the meaning of Christmas. Our traditional Christmas Eve service is at 7 pm in the church sanctuary and it will be a wonderful celebration of music, with a challenging message and the warmth of Christmas Eve traditions.

So, when you start to get stressed and pressed during this "Holiday," remember to take a moment and regard the true meaning of these "Holy days." Love came down from God's throne of grace to show us His magnificent grace and love so that in our lives—we know hope, peace, joy and love.

Ch-Ki-Lo Food Pantry

CH-KI-LO's Thanksgiving distribution on Monday, November 19th was a success, with many hard-working volunteers serving food for a holiday meal to over 80 families. Thank you to all who contributed and volunteered their time. We are already busy working on the Christmas distribution, scheduled for Thursday, December 20th, and additionally, are collecting hats and gloves for those who need them. If you would like to contribute to this mission, please leave them in the Ministry Center in back of the sanctuary. Our annual Angel Tree program is also starting up, and if you would like to help with our CH-KI-LO clients' Christmas, please take an angel off the tree and buy a \$10 present for that angel, wrap it, and attach the angel to the package. Please have the presents back under our tree no later than Sunday, December 16th. Our clients truly appreciate the help to provide a present for their children to open on Christmas. Thank you so much for your generosity!

Christmas-time Adopt-a-Family

Again this year we will adopt 2-3 families based on information given us by Cridersville Elementary School. The school provides a list of needs and wants for these families along with sizes and ages. In past years we have included older siblings from the middle and high schools and the parents. With your generosity we have been able to gift them well. Please help again this year by placing your donations in one of the pew envelopes and mark it "Adopt-A-Family". (We take Kohl's cash, too!) We'll **need** your **donations by December 2** to facilitate our shopping, wrapping and delivery efforts. Any questions, ask Jeff Reichelderfer or Mary Kay Smith. Thank you.

Angel Tree Gifts

ANGEL TREE
christmas

We're helping some children from the community with Christmas gifts through our Angel Tree Ministry. The "tree" is in the Ministry Center with descriptions of the age and gender of those we are helping with Christmas presents. "Adopt" one of the "angels" by taking the Angel decoration from the tree, and providing the gifts for that child. Gifts should be in the \$10 price range. Wrap the gift and place the "Angel" Gift Tag securely on the package. Place the gift under the Angel Tree by Sunday, December 16 to be ready for our Christmas distribution. Thank you to those who help share these signs of God's love with the children of our community.

I would also like to thank all of you who took the peanut brittle to your workplace, beauty salons, card clubs and barber shops. Your work was also a part of our success. Thanks again to all
