

2021 Genesee Rapids Player Profile

P: Sam Craven

College: Trinity College

Hometown: Wakefield, RI

Major: Biology

Favorite Class: Sports in American Society because this class was able to connect various athletes and sports to historical and modern developments in American society, and I thought it was very interesting.

Best Sports Memory: Making the final out to win my high school baseball state championship in 2018.

Last Book I Read: Into the Wild by Jon Krakauer

If You Could Have One Superpower, What Would It Be and Why: Ability to fly. You always have a great view and it would be very peaceful up there.

Favorite Baseball Player: Mookie Betts

Favorite Restaurant: Five Guys

Favorite Place You Have Visited and Why: Siesta Key, Florida-I used to vacation here every winter break. The beach is extremely nice and there are many fun things to do in the area, like boat rides, hiking, and visiting nearby MLB spring training parks.

What Are You Most Looking Forward to This Summer Meeting new people and teammates and getting the chance to play baseball almost every day.
