

2021 Genesee Rapids Player Profile

IF: Tucker Panarisi

College: Providence Christian College

Hometown: Saugus, CA

Major: Liberal Arts with a concentration in Business, Economics, and Society.

Favorite Class You Have Taken and Why: “The Christian Life.” This class has been my favorite because we learned things about Christianity that I was able to use to help my non-believer friends understand the existence of God.

Favorite Verse: Jeremiah 29:11 “For I know the plans I have for you,” declares the Lord, “plans to prosper you and not to harm you, plans to give you hope and a future.”

Best Sports Memory: Making the playoffs with the college that I currently attend. With a team with mostly seniors it just made it that much more special especially because it is the first time in school history we have made it to playoffs.

Last Book You Have Read: Thunder Head

If You Could Have One Superpower, What Would It Be and Why: If I had one superpower, it would be to freeze time because you can never have too much time.

Favorite Baseball Player: Mike Trout

Favorite Restaurant: Cheesecake Factory

Favorite Place You Have Visited and Why: Dominican Republic because it was the first time in my life where I truly understood why my parents told me that I should be thankful for what I have. While it was sad to see the destruction and corruption of the territory, it really did change my perspective of life.

What Are You Most Looking Forward to This Summer: What I am most looking forward to this summer is being able to experience a world of baseball so far away from home for a long period of time. I am also looking forward to increasing my competition level as a baseball player and growing relationships with new teammates from all over the U.S. Lastly, I am excited to play on a team with a main goal of glorifying God.
