CULTURE & INNOVATION REPORT

District Leaders,

Once again, it has been a busy and rewarding year in my role as Director of Culture and Innovation within the District. We have spent a lot of time on the road and in the office praying and developing ways to help us be most effective as a District. Our efforts this year have been focused on helping our churches and pastors live out the Culture and Core Values that we have been developing over the last few years. In particular we have been working to create systems and opportunities for our pastors to work together, encourage one another and better hold each other accountable as we do the work of the Kingdom. Our pastoral accountability groups have been the most successful outlet for us to accomplish this task and we have been so excited to see the work that God is doing in and through our times together with you. Even more so, we are incredibly proud of the more than 90% participation rate of our pastors that have committed to this process. If you are a part of the less than 10% that haven't, you are missing out!

We have continued to place a large emphasis on having a more dynamic and consistent social media presence on Instagram, Twitter and Facebook (you can follow or add us @GOWesleyanDist) in order to better share what God is doing in your church and community with our District family. Some of our favorite moments this year have come about when you sent us your stories of life change and we shared them across the District and celebrated together. You never know how your stories impact, inspire and encourage others. To make that as easy as possible, last year we created a place on our website for you to send us your stories. Unfortunately, we have not seen this opportunity utilized in the way that it could have been and would like to encourage all of you to take advantage of this simple online form to share your stories with us. It's a simple way for us to collect them and more effectively and efficiently share them across the District. Simply click on the "share now" button on the homepage of our website and it will take you to an easy form to fill out and submit your story to us. We can't wait to hear what God is doing in and through you as you share these with us.

As we have continued on this journey to a new regional approach to ministry, it has been a joy to get to know and work alongside with leaders from across the Heartland Region. In particular, I've had the opportunity to closely work alongside Chris Williams and Seth Bye from Crossroads District, Ashley Mew from Kentucky/Tennessee and Sherri Preston from Indiana South as we are busy planning the first ever Heartland Gathering next spring in Pigeon Forge, Tennessee. We hope that all of our pastors and their spouses will make it a priority to attend our first ever regional get together and have high expectations that our churches will support them in any way that they can to send their pastoral families to this event on March 10-12, 2020. More information will be available soon on our regional website: www.heartlandregion.org.

Once again, it has been such an honor serving in this role alongside amazing leaders like all of you. And, it's a joy to work alongside a District Superintendent who leads with passion and compassion the way Pastor Les does. And, I can't leave out the great Elaine Loyd!!! We have a gem in the District Office that works so hard to make us all look better. Super grateful for all she does for us. Being a part of a team that can laugh and cry together while also pushing and getting the best out of each other is such a blessing! I have cherished working alongside our staff, our District Boards and local church pastors and lay leaders throughout the year. Working with you has made me a better leader and a better follower of Jesus Christ. The future is incredibly bright for the Greater Ohio District and the Heartland Region and I'm blessed to be a small part of what God is doing in our state and our region.

Partnering with you,

Aaron Holley
Executive Director of Culture and Innovation

DISTRICT BOARD OF MINISTERIAL DEVELOPMENT

Greetings Greater Ohio District Conference,

What does it take to become a pastor in God's church? That is a haunting question that elicits a plethora of responses. When I was reading from a commentator, of all places, I got a very good answer that sums up the work and purpose of our District Board of Ministerial Development: "Going to seminary doesn't make one qualified for spiritual leadership. Being a good talker doesn't make one qualified for spiritual leadership. Natural or spiritual gifts in themselves do not qualify one for spiritual leadership. What one gives in money or volunteer time does not qualify them for spiritual leadership. What qualifies a man for spiritual leadership is godly character - and godly character established according to the clear criteria Paul lists." – David Guzik.

As we help students prepare for ministry it is easy to govern their academic requirements and make sure they fill out all the pages of endless paperwork, but the biggest preparation a student makes is not of the head only but of the heart. In the past four years we have endeavored to bring balance to the ordination process in helping students, not only fulfill their educational requirements, but develop in their heart and character as well. Students who have all the theological knowledge in the world can still fall flat on their faces in ministry if they do not have the right heart, the right character, and the clear call of God upon their lives.

As we have led in this transition on our DBMD team, it has met us with frustrations and joy. I am a person who has come to appreciate order and clear systems, but when it comes to character and heart development there seems to be no clear cut path that God takes with an individual. Therefore, as we help our students walk through this process, we are finding many are at a variety of stages in their development, and neither age nor academic accomplishments seem to be distinct indicators of a student's readiness for ministry. The only way to get a feel of a student's heart is to spend time with him or her. Because of that huge factor I must share my deepest appreciation for my team. There is no way that I could get to know each student on the level I would need in order to fully understand his or her heart, but God has provided me with incredible teammates who have helped me on this journey and process of evaluating our students and watching over their preparation for the journey. Our team has spent countless hours on the phone, in email conversations, and in face-to-face meetings with all of our students to give careful attention to their hearts and we are excited about each one who is moving through our

process and heading towards becoming a fully ordained minister within the Wesleyan Church. It is an honor to lead this team.

This past year's duties added significantly to my responsibility. I teach the first year cohort students a 33 week class on discovering the call. The classes focus on how God calls people to ministry, what that call is about, understanding the importance of that call and so much more, from both a Biblical and historical perspective. It is an intensive class in which all students are required to have a mentor, who is an active pastor, so they can ask questions, hear real answers, and get a clearer perspective on what being a pastor is all about. We made a decision to treat the Hispanic students as one whole group in our cohort system, which meant I was working through the coursework with 26 Hispanic students. While the language barrier at first was a challenge, the monthly times we spent together became a blessing and joy. Our district has a very unique situation in which we have more Hispanic students coming through our system than English students. As these students walk through the process and start to become ordained, it is going to shift the way our district functions and ministers, which is going to open up many new doors of ministry for us. I am so thankful to have two wonderful pastors to work with on the Hispanic front: Maria Acuna and Sonia Rodriguez. They work tirelessly with this entire group of students spending many hours fielding questions, making sure the students are understanding and completing all the paperwork, and in general providing loving leadership. I am walking away from this year with a profound respect and gratitude for our Hispanic ministry within our district.

Because of the nature of our work, not every year will we be able to present candidates for ordination and this is such a year. We have about 50 students currently under our care, but this year we did not have any students ready to be Ordained. Over the course of the next few years though, our Ordination numbers will jump significantly as many students will complete our five-year program.

Part of my job is recruitment. I am always on the hunt, keeping my ear to the ground, to find seasoned Christians and experienced pastors who are willing to help serve on our exciting team. I feel our DBMD team is the best team in the district because we have the awesome opportunity to help prepare the next generation of pastors for our district team. If you are interested in learning about serving on our team, we are always looking for new

members to help us out in a variety of ways. If this sparks your curiosity, please give me a call or send me a note.

It has been an honor to serve our district as the Chairman of the District Board of Ministerial Development. As I work with our current students, I am excited about the future of the Greater Ohio District Team. God is preparing us for a bright future of incredible ministry within our state!

In His Service,

Rev. John W. Baker
DBMD Chairman

2019 Report of Seven Baskets Community Development Corporation

To General Superintendent Wayne Schmidt, District Superintendent Les Crossfield, and Members and Friends of the Greater Ohio District:

It is a pleasure to report on behalf of Seven Baskets. This ministry which began in 2012 has now completed its seventh year. During this period, we have experienced sustainable growth that has occurred both strategically and organically. Through it all we have consistently witnessed the benevolent hand of God as he has provided for the ministry and those we serve.

Seven Baskets' relationship with Columbus City Schools keeps us active through community partnerships with two elementary schools where tutoring/mentoring programs are provided. A middle-school mentoring program that attracts students from several schools meets at the Community House. This year nearly fifty volunteers worked individually or in small groups with almost 100 children on a weekly basis. These programs aid students academically and help to shape character. The school-day programs then open the door for after-school programs where the gospel can be presented, and prayer and Bible study conducted. We are also engaged in addressing the problem of food insecurity through our "Plus2 Pantry" which provides weekend nutrition bags for approximately fifty children.

Summer Day Camp is being offered again this year. This seven week program includes breakfast and lunch, chapel, academics, activities, arts, and gardening for the children. We are excited that the children have been welcomed to Conference to sing for the delegates. Two

other summer programs – community gardening and lawn care for senior adults – have been continued for a third year thanks, in part, to grant income and individual gifts. Bible study occurs weekly on Thursday nights and Easter morning was again the occasion for a neighborhood service.

The Seven Baskets' board this year affirmed our vision "to be a catalyst for breaking the cycle of generational poverty by providing a comprehensive program of Christian discipleship, public school partnerships, community engagement, and social justice advocacy." We have set goals for ourselves to facilitate the creation of community partnerships for other public schools and to expand our presence into and service to the community through increased involvement with government and civic agencies.

To all who have prayed, given, or volunteered we say, "Thank You!" As a faith mission we are grateful for persons and churches who become involved in giving finances, time, and resources. We would welcome the opportunity to discuss opportunities where you can become involved. Call Jeff at 614-406-2548 or email at jeffm@seven-baskets.org to speak about individual and group opportunities.

Blessings to you!

Jeff & Cheryl Mansell
Directors

OUR MISSION

Wesleyan Women exists to glorify God as devoted Christ followers of all generations, empowered by the Holy Spirit as Women in God's Service to... reach the world, live the Word, and do the work.

Pray • Serve • Give • Learn

FIVE MAIN OBJECTIVES

- **TO PROMOTE CORPORATE AND INDIVIDUAL PRAYER FOR:** Ohio Missionaries, overseas missionaries & workers, the ministries of the local church, and prayer for individuals
- **FELLOWSHIP:** To build healthy, caring relationships among women
- **DISCIPLESHIP:** To encourage study of God's Word, teaching women to follow Christ and to be built up in their faith through our "GROW" Conferences and a spring Conference/Retreat
- **OUTREACH:** To equip women to share God's love and the message of the gospel with family, friends and neighbors
- **MISSIONS:** to involve women in the worldwide ministries through intercession, short-term missions, support of Ohio Missionaries first, then to other Global Partner support for workers and their families, and annual projects that serve specified needs in various countries.

For the past year, we have encouraged our District women to go back to their roots through mailings, phone calls and Facebook contacts. They have focused on the three areas of support:

1. Reaching out to our world by praying and giving to our district missionaries: Schmitz, Boardmans, Penas, Fergusons & Shunem House
2. Reaching out to our town: by praying and giving to Seven Baskets, local Pregnancy Centers, Community events
3. Reaching our own home Churches by praying and supporting those who are struggling, lost and hurting in our church families. We will continue to contact churches on a quarterly basis to let them know of quarterly giving projects and to encourage them to continue in prayer for our missionaries and support of each other. Pastors, we would appreciate your passing on these letters to the Women's groups in your church. Thank you for supporting us in this.

March WINGS Ladies Event

Women from 12 different churches met on a Sat for a day of worship, ministry updates, laughter with Jeanette Vermilya and, of course, lots of door prizes and lunch. Alex from Baked to Perfection gave us tips on cake decorating then we had the opportunity to try it on our own. A poll was taken by all present with the results favorable for a Saturday only event where women could get their own hotel accommodations for the night before. Doing this would keep the cost per woman reasonable. Thank you to Cypress Wesleyan for allowing us to use the Student Center for the day. Thank you to Brianne Liddick & Pastor Matt for the awesome time of worship. Thank you to Patty Gengler & the Delphos Ladies for the table decorations.

Giving Projects for 2018-2019

Shumen House was the recipient of funds toward several of their projects. Nikki Pena received money for her support. Ryan & Sarah Schmitz received money for their Feed the Kids Program. Phil & Kristy Boardman also received money during their stay in the states while waiting for the adoption of their son to be completed.

W.K.F.M.

Several churches have active groups who study various missionaries and give money to monthly/bimonthly mission projects. WKFM Giving for 2018-19 was \$489.00. A new WKFM project this year was Shirley Duncan, formerly with Hephzibah Children's Home, who hosts neighborhood kids in her home for meals. This special time is called: The Hotdog Club and is popular among the kids with a meal and Bible lesson. If you have questions on WKFM, contact Kathy at 419-692-7649.

Youth In Missions Scholarships

Every year Scholarship forms are sent to each church to be used by Youth who are planning to go on a mission trip. The monies that come in designed YIM by the various churches is divided up among those youth who turn in a form. This year we had the privilege to send money to 1 youth from Columbia Station New Life Wesleyan to go to Guatemala.

Looking Ahead to 2020

Our Ladies Event will take place on Saturday March 28 for The Master's Canvas. You will have opportunity to take home a picture that you painted with pointers from Alex. Worship music, lunch, awesome speaker, vendors, devotions, door prizes and lots of fellowship are what you can look forward to on that day. If you do not receive an event packet by January, email Bev at bspain8301@aol.com and she will send you one.

We are striving to step upward as Women In God's Service to keep missions, missionary giving and their projects before our District Women so we can serve in the best way possible. "Doing what we can, when we can"

CHILDREN'S MINISTRIES DIRECTOR REPORT

It was a year of transition as we transferred from Pastor Doug. It has been a process of getting everything switched over but now as we prepare for camp this summer, everything is on track. We are just a month away from camp this year, and we are still accepting registrations. If you would like to sign up or know someone that would, please visit godkidscamp.org. Kids camp 2018 was centered around the idea of being amped for Jesus. I was blessed enough to be able to be the speaker last summer with my sister, Brittany Rucker, who leads middle school students at Cypress Alton Darby campus. Our camp was centered around the verse John 10:10.

“

*I HAVE COME SO THAT THEY MAY HAVE LIFE.
I WANT THEM TO HAVE IT IN THE FULLEST
WAY POSSIBLE. (NIRV)*

”

The kids and counselors were able to explore how, in their lives, they could not just live but fully alive in Christ. Most of the chapels centered around Joseph's life and how he was able to live fully alive in God through all the trials of his life. Looking forward to settling into this position for the future. I'm praying that the churches in the district will be more connected in the children's ministry.

District Children's Pastor

REJOICE, ASSURED THAT FORGIVENESS
AND SALVATION HAS COME TO YOU.
LUKE 1:77

From the Greater Ohio District Statistician, “Come and see what God has done, his awesome deeds for mankind!” Psalm 66:5 (NIV), Greetings to the leaders, friends, family and church of The Greater Ohio District in God our Father and the Lord Jesus Christ.

In 1974 I became a believer in Jesus Christ, then in 1982 began His ministry as a pastor in the Western Ohio District, several years later in 1997 my responsibilities grew as District Statistician and over the years there has been many opportunities to share our relationship, which our Savior has led and provided for my life.

Through our relationships we understand that no great achievements come alone. Without **your** dedication and effort to your calling and tenacity our great district would not exist as it is. The change in reporting this year may have been overwhelming for some, yet you came through triumphant. Changes are inevitable as we adjust to the current and future times and of His coming. With change, our great heritage of sound holiness doctrine allows us to shine for our Lord. Therefore, I commend you in your faithfulness.

Please re-evaluate your statistical report for complete accuracy. Should there be any discrepancies, please contact the District Secretary or myself, so we can provide the General Church report of this District Conference with total completion and accuracy.

As we all are thankful for The Lord’s mercy and blessings by providing us with the help of our dedicated District Superintendent, his competent District Secretary who has shouldered the load of contacting many of you for various reasons to bring this report to completion.

Victorious in Christ,

Rodney Shade
Greater Ohio District

I was born and raised in a Wesleyan Church in Wabash, IN and learned to serve in Business Ministry and Sunday School Ministry from an early age, yet deep down I knew there was something still missing in my life. When I was 15 years old I attended "Miracle Camp" and accepted Christ. From that point on, God began to transform my heart and my life. Soon after that time, I felt a

strong calling to become a pastor's wife. At age 17, at a family camp in Fairmount, IN, I fully surrendered my life to God to be used by Him. Like many, I rebelled and ran from the Lord for a few years, but then really committed my life to Christ at 15 years of age. Shortly thereafter, God called me to be a pastor. It was very clear to me that God wanted me to be a shepherd pastor; not a missionary, not an evangelist, but a caretaker of a part of his flock. I've now been a pastor for 25 years and have only pastored two churches, both of them would be considered small but I have sensed the spirit of God in those congregations of believers from the beginning. I, am in no way saying anything negative about bigger churches. In fact, I admire those gifted to build and lead such amazing congregations. I have come to understand and appreciate the beauty and the mystery of the way God works through all of us His unique children. I am humbled and proud at the same time to be called His child and to be part of His eternal kingdom in any way.

It was 1998. I was in a rough marriage with an infant and my mom started telling me about her newfound relationship with Jesus. During the next year or so I started reading my bible and praying, not really knowing what I was doing yet. I ended up divorced and alone with a baby to take care of. I turned to Jesus and asked Him into my heart. The last 20 years have not always been easy but I know I serve the one true Savior and with Him all things are possible!

UPTON, TRAVIS Cypress Partner & C.I.O-The Joseph Group Capital Mgmt.
Nominated for **DBA-Lay**

Testimony: I grew up aware of God, but we did not attend church regularly. My mother was raised in the church as a pastor’s kid in South Carolina while my dad grew up as a Christian Scientist in Hollywood, California. I would say my parent’s experiences led them to a place of bitterness about faith and distrust of church. In college, I asked my parents why we did not attend church and they said they did not know how to reconcile their upbringing and wanted me to find my own path. I came to Christ in college after a period of doubt and searching. During my Freshman year, I wrote papers in a class trying to disprove the existence of God and discussing the hypocrisy of people who called themselves Christians. Later that year, I faced a major life decision and even though I was not a believer, I prayed about it and I told God I would surrender and put the decision in His hands. The outcome and path for making that decision still amazes me and could have only been the work of a loving God. From that point my doubt became curiosity and God put a number of people in my life who were strong Christian examples (including Shannon who would later become my wife). I accepted Christ as my savior the next year and soon joined Epworth United Methodist Church in Toledo while still a college student and was baptized there. I’ve been learning and growing in the 20+ years since.

Standing Rules

Greater Ohio District
of the Wesleyan Church

Section 100: District Culture

101. Name

The district shall be known as The Greater Ohio District of The Wesleyan Church, Inc.

102. Boundary

The Greater Ohio District of The Wesleyan Church encompasses the state of Ohio and includes the South Parkersburg church in South Parkersburg, West Virginia and the Chapel Hill church in Weirton, West Virginia.

103. Mission Statement

The mission of the Greater Ohio District of The Wesleyan Church is to transform lives, churches and communities with the hope and holiness of Jesus Christ until the Wesleyan Church has a transforming presence in every zip code of our region.

104. Ministry Culture

In order to fulfill our mission, we will emphasize, and evaluate our churches on their effectiveness in five key areas. Our churches and leaders must be: Intentional, Excellent, Relational, Transformational, and Multiplying.

- (1) **Intentional** – Our leaders and churches must be intentional in the way that they lead, the way that they love and the way that they work. We must work tirelessly to put the right people in the right places to help them fulfill their unique calling and maximize their Kingdom impact.
- (2) **Excellent** - Our leaders and churches must make excellence their pursuit. This means that they have a commitment to deliver God-pleasing quality in every facet of ministry, which requires a commitment to life-long learning, accountability and a consistent work ethic.
- (3) **Relational** - Our leaders and churches must make people a priority and constantly strive to connect people to God, to one another and into the life of the church. This is best achieved when they reflect Jesus in the way that they lead with love, choose joy, express gratitude and offer encouragement as they do life together.
- (4) **Transformational** - Our leaders and churches must intentionally create environments and opportunities for people to experience the transforming presence of the Holy Spirit. This is a challenge to meet people where they are and love them enough to call them into the life-long pursuit of holiness into which Christ calls us.
- (5) **Multiplying** - Our leaders and churches must constantly look for ways to reproduce disciples, ministries and churches. This is a focus on Kingdom growth rather than local growth that emphasizes sending capacity over seating capacity and is fueled by a willingness to take obedient risks for the Kingdom.

105. Core Values

- (1) **Making Disciples is Our Passion:** We are committed to birthing new ministries, reproducing congregations, and developing new strategies that keep us actively focused on the Great Commission.
- (2) **Teamwork is Vital:** We will intentionally look for ways to blend our unique personalities around a common vision in order to accomplish more for the Kingdom.
- (3) **Leadership Development is a Priority:** It is our responsibility to invest our time and resources in the personal and spiritual growth of our leaders to maximize their effectiveness and impact.
- (4) **Health Matters:** Partnering with local congregations to evaluate and invest in opportunities that improve their overall health is necessary for us to help them best live out their mission.
- (5) **Innovation Expands our Reach:** We want to be creative in our approach and cutting edge in our methods as we continuously develop new and exciting ways to reach our world for Christ.
- (6) **Accountability is Necessary:** A commitment to kind and honest dialogue, evaluation and constructive criticism is vital to personal and organizational growth.
- (7) **Excellence is our Pursuit:** Our call to Holiness compels us to strive for excellence in every facet of ministry.
