July 2021

From the General Manager.....

I would like to say hello to all the members at Danville Country Club and thank you to the Board of Directors and Members for allowing me the opportunity to manage your facility. I am looking forward to meeting all of you and in the meantime please do not hesitate to contact me for anything I may be of assistance with.

Thanks again for having the trust in myself and the rest of the managers to run this beautiful and nostalgic country club. Please come out and participate in all the great events that are scheduled for the remainder of summer and fall on the golf course, at the pool, on the tennis courts, and in the clubhouse.

Happy Independence Day,
R. Brock Burton

From the Clubhouse.....

Let us kick off the month with a wonderful Independence Day weekend! There is a lot going on Sunday, please come have some fun! We have quite a few private events and parties planned for the beginning of the month. Let us help you pull together a private gathering of your own here at DCC.

We have had a lot going on at the club to make it look and function the way it does. I would like to send out a thank you to all the volunteers that help make things happen. I huge thank you to Mr. Troy Drennan, Mr. Jason Lafoe, Mr. Eric Shore, and crew for patching and repairing the concrete for the dive well. Thank you to the pool crew, Mr. Troy Drennan, Mrs. Toni Towne, and Mrs. Suzi Wagner for helping paint the dive well. Mr. Drennan keeps the pool going and we are very thankful and appreciative of him for everything he does for DCC.

See you at the club,
Robert Sloan

From the Kitchen.....

July already? Where did the time go? I would like to thank the membership for all their support.

Moving forward this summer I would like to run some upscale specials on the weekends including fresh fish, pasta dishes, and some different steaks. If there is something you would like to see rotated into the specials, please let me know.

We are looking forward to a great summer. Last but not least, a reminder that reservations are not required but definitely appreciated. We staff and prepare food by the number of reservations we have. Please come out and enjoy some great food in a great atmosphere.

See you soon,
Chef Robert Eaton

From the Pro Shop.....

The rain will eventually quit just in time for a great golfing month of July. Please check the upcoming golf events and please call the Golf Shop 217-442-6027 with any questions or to sign up. Congrats to our recent winners and thank you to all participants.

Good Golfing,
Neil, Ryan, & Staff

From the Golf Course.....

Since late June rains have yielded 5 inches in 6 days, I thought I would explain what drives the decision to close the golf course to cart traffic (or close completely). My approach is very scientific. I get in a cart and drive around the golf course! If the cart tires are splashing water in the majority of the property, we do not allow carts out. There can be times when we limit carts to rough only when the rough has firmed up but fairways are still wet. I believe I would be considered "lenient" on allowing carts on the course following rains.

Maintenance staff often takes the time to place ropes, stakes and signs to divert cart traffic away from the wettest areas. At times it is just too wet and the damage to the course from cart or foot traffic can be detrimental. Low areas like those that intersect holes 13, 10 and 5 hold water. Some "wet" areas are surprising such as behind #11 green over to 12 tees?

Following Spring rains some of our higher areas on the property stay muddy but are dry following summer/autumn rains? #5 and #8 greens remain wet long after rains stop because they were constructed flush with the ground. Foot traffic on those wet greens causes harm. At times we close to carts but reevaluate in a few hours if the forecast shows drying conditions. We want golfers to enjoy the course.

Enjoy the course,
Paul

From the Pool.....

It has been a Great Start to the 2021 Season. The staff has enjoyed meeting new friends and catching up with our old friends. Thank you for being patient with all that is involved with the diving well. We are wrapping up the final stages in the process and hope to have it open and ready for use by the 4th of July.

We are working hard to establish accurate usage numbers using our pools and snack bar. We have just updated our Member/Guest Sign In to hopefully be a little more user friendly. You will see, Member Name/ Total # in Party / # of Guests/ # of Grandchildren/ and a final column to Print Guests Names. We appreciate your integrity in signing in your Guests. We ask for the names of guests to keep track of the number of visits allowed. For those coming close to maximum 8 visits, we reach out to them in appreciation

for coming to our pool and offer the opportunity to answer any questions they may have about becoming a member of DCC.

We are looking forward to a great day on the 4th of July. In addition to having both pools, we have a 31 by 13 Waterslide, Pool, and Basketball Hoop Bounce House ordered for the back lot, Free Popcorn, Poolside Bar and Food Buffet from 12:00-2:00 and Snacks and Drinks available in the snack bar. Bring the family and guests and let's make it a special day!

Thank you to Mrs. Cheri Weller for planting the beautiful pots and baskets at the pool. They look fantastic.

Let's get diving,
Paula Wolfe

From the Courts.....

The clay courts are in great shape and ready for you to play! Bring your friends and family out to play! Please sign in your guest in the guest book if you bring out a non-member to play with you!
