From the Clubhouse.....

It's June! Wow, that was fast! The tent is here and a part of the patio life for years to come. I am happy to see so many members enjoying it. If you haven't yet enjoyed it; what are you waiting for? Come see it!

First Friday we will have some drink specials: \$1 domestics, \$2 premiums, and \$3 glasses of house wine. Come enjoy dinner and a drink on the patio under the spacious new tent.

Save the date for the Summer Soirée! Saturday, June 19th will be a lovely evening here at the club. Watch your email for more details on this event.

See you at the club,
Robert Sloan

From the Kitchen.....

The tent is up, kids are out of school, so let the season begin. I'm looking forward to preparing some great summer specials for the season and also incorporating some healthier choices. I'm always willing to hear new ideas that the membership may have so feel free to pop in the kitchen at any time and share them with me.

We have had some issues with product shortage due to supply and demand issues from our purveyors. We hope these issues will be resolved soon; but in the meantime, we appreciate and thank you for your patience and understanding during this unprecedented moment in time.

See you soon,
Chef Robert Eaton

From the Pro Shop.....

Congratulations to John Peterson for his hole in one on # 3 on May 5th. John hit a 4 hybrid from 209 yards and the feat was witnessed by his father Mike Peterson. Congrats to all the winners so far this spring and please check out the upcoming events as the golf season is now in full swing.

Good Golfing,
Neil, Ryan, & Staff

From the Golf Course.....

I want to thank all of the members who have donated money and time to help us maintain the golf course. Our maintenance staff is working hard to provide the best playing conditions with the resources available.

As the season is in full swing, we remind those using the practice tee to please follow the divot pattern indicated on the signs (strips of live grass remain between parallel lines of divots) USGA-funded research shows that this practice will contribute to the quality and longevity of the tee.

Enjoy the course,
Paul
