December 5 - President's Candlelight Dinner

December 20 - Santa's Brunch

Danville Country Club

October 2020

From the Clubhouse.....

The month of September has come and gone! Mother Nature sure says it is fall outside. It is going to be a changing time for the clubhouse. We will keep the tent as long as the weather holds out. The tables in the clubhouse have all been spread out and spaced for adequate social distancing. The Library will be reserved for a table of 12 to 16 as everyone is spaced out appropriately. Please do not hesitate to dine here at DCC. We are committed to a safe environment during this uncertain time.

We have a couple of draft beers on tap for the month of October! A Riggs Hefeweizen and Riggs Oktoberfest. Try one of our fall cocktails.

From the Kitchen.....

Chef, Megan, and the kitchen staff are ready to cook up some scrumptious meals for you. We are excited for the Thai Affair on October 17th with all things Thai! Please utilize the kitchen for dine in, carryout, or curbside! We want to cook for you. Menus are posted on the website, www.golfdanvillecc.com

From the Pro Shop.....

*As the days are getting shorter, we are slowly winding down on a wonderful golf season. We have had a great fall and hope October continues the trend. We will introduce a new event **Saturday, October 17th - Fall Member Guest Scramble**. This event is a 4-person handicapped scramble consisting of at least 1 member. We will be hosting the IHSA regional on **Tuesday, October 6th**. The golf course will not be available until 1 pm. Congrats to the winners of September's events and thank you to all of those who participated.*

Danville Country Club

Fall Member-Guest Scramble

Saturday, October 17th

9:30 a.m. – Shotgun

Cost: \$240/Team –includes golf, cart, range and prizes

The Fall Member-Guest Scramble is a four-person handicapped scramble consisting of at least one Danville C.C. member on each team.

Visit our website

www.golfdanvillecc.com

for information on tennis and golf, to see menus, and to make a reservation. Click on the Restaurant tab! Reservations can also be made by calling the Club at 442-5213 Option 1.

Handicap Chart

0 & und.	+3
1-5	+2
6-9	+1
10-14	E
15-19	-1
20-24	-2
25 & over	-3

Team handicap will be the total of the four player's handicaps.

The lowest starting position a team may start is -6.

All players must have a handicap, otherwise said players talent will be judged by the professional staff.

65 and over may play from the Blue Tees (Blue Tee Handicap)

From the Golf Course.....

From the Golf Course Superintendent:

I have had discussions with golfers concerning cup placement on the greens. During the peak of the golf season, we change cup locations 3 -4 times per week depending on the volume of play and scheduled events.

Finding an appropriate location for the cup at Danville Country Club can be quite challenging. Our greens are relatively small, quite sloped, and, undulated.

Number 2 green with its extreme slope has only a few fair locations. 11 green is very small with only a narrow band across the middle flat enough to locate a cup. 7 and 12 greens are not small but very undulated with limitations. 8 and 15 greens are small and get abused with short irons. With only a couple of fair sites for cups on those greens, we also have to avoid the craters (ball marks). The back halves of 5 and 10 greens do not accommodate cups.

Modern greens are large, sand-based with plateaus providing enough fair locations that the course can locate cups in a "rotation" with an even number of cups cut in the front, back, center, right, left, etc. The limitations I explained about our greens do not allow for such a rotation. Our greens were constructed by "pushing up" clay-based soils. When greens get dry it can even become physically challenging to get the cup cutter deep enough into the ground.
