

Grandstand Room Rental FAQ

Q: What is the room capacity and seating available?

The Grandstand Room can hold just over 100 people, with seating available for 60. The rental also includes access to the outside deck, weather permitting.

Q: What are the rental costs and additional fees?

The rental rate is \$125 per hour during the event when guests are present. A 20% convenience fee will be added to the final invoice, and there is a \$30 per hour fee for staffing the bar with a bartender. Tax is included in the rental, as well as food and beverage purchases.

Q: What are the deposit requirements?

A 25% deposit is required for events scheduled on Fridays, Saturdays, and Sundays. This deposit is nonrefundable and secures the date from being reserved by another party.

Q: Can we bring our own food and beverages?

Guests may self-cater events with their own food and non-alcoholic beverages, provided they sign a waiver of food safety liability before the event. However, outside alcoholic beverages are strictly prohibited by course rules and state law; a Saddlebrook bartender must be present to serve alcohol. Any outside catering must come from a licensed and insured food distributor.

Q: Is the venue accessible for guests with limited mobility?

The Grandstand Room is accessible only via two flights of stairs, and there is no elevator. Guests with limited mobility may have difficulty accessing the second floor, so renters are responsible for informing all guests of this limitation.

Q: What is included in the setup and cleanup?

The rental includes two complimentary hours for setup before the event and one hour for cleanup afterward. Additional setup time may be arranged at no charge, subject to availability.

Q: How can we view the room?

The room can be viewed during regular golf course operating hours. It is recommended to call the clubhouse in advance to ensure the space is not occupied, as inclement weather may affect access.

Q: How can we arrange a rental?

To arrange a rental, please contact GM Tyler Smith at tsmith@saddlebrookgolfclub.org, including the type of event, desired dates and times, and any questions. You will be contacted within 24 hours to discuss the rental and next steps.

IDEAL FOR THANKSGIVING DINNERS, HOLIDAY PARTIES, AND MORE!
