Tithes and Offerings

Money is collected in the offering plates at the back of the sanctuary. Another option is to send in your checks to the church office. Also, you can set up automatic giving through your bill pay feature with your bank. Thank you for your continued faithfulness to God's work here at HFC.

HFC will adopt the CDC's latest guidance concerning vaccinations and mask wearing. Those who are fully vaccinated no longer have to wear a mask or practice social distancing. Those who are not fully vaccinated should continue to wear a mask and socially distance themselves. Since children (3-11) are unable to receive a vaccination and will be continuing to wear masks, adults who are working with our children will also wear masks. Also, out of respect for others, when approaching within six feet of an individual wearing a mask, consider putting on a mask as well. HFC will modify our stated policy as needed if changes in CDC guidance impact our stated approach.

Special Prayers

Pray for "Additional Areas" and "The Unnamed". *What* are they? *Who* are they?

"ADDITIONAL AREAS" are also known to us by the title "Creative Access Areas". These mission field areas tend to be resistant to the gospel, which means that the open proclamation of the gospel can be restricted, requiring creative approaches for ministry and missions; they may also be areas where the Church of the Nazarene is officially registered with the government, but whose political, social, or religious environment may not always be conducive to Christian outreach and church development.

THE UNNAMED are the missionaries and local church leaders whom God has called, and through whom God is working. They may be in areas not particularly welcoming or safe. Nonetheless, they are called to live out a worship-filled service in such a way as to be undeniably Christlike.

Be part of the PRAYING CHURCH. You and I need to be true Prayer Warriors when it comes to our church and people in these "ADDITIONAL AREAS". Take up the challenge to pray faithfully for those who must remain nameless, in places that require discretion for security reasons.
