## Tithes and Offerings

Money is collected in the offering plates at the back of the sanctuary. Another option is to send in your checks to the church office. Also, you can set up automatic giving through your bill pay feature with your bank. Thank you for your continued faithfulness to God's work here at HFC.

HFC will adopt the CDC's latest guidance concerning vaccinations and mask wearing. Those who are fully vaccinated no longer have to wear a mask or practice social distancing. Those who are not fully vaccinated should continue to wear a mask and socially distance themselves. Since children (3-11) are unable to receive a vaccination and will be continuing to wear masks, adults who are working with our children will also wear masks. Also, out of respect for others, when approaching within six feet of an individual wearing a mask, consider putting on a mask as well. HFC will modify our stated policy as needed if changes in CDC guidance impact our stated approach.

## Republic of Ireland

Did you know that only 6% of the Republic of Ireland is Non-Roman Catholic Christians?!

Did you know that the Church of the Nazarene has only 1 church and 51 members in the entire country?! There are more Nazarene's in Mongolia than in the Republic of Ireland. That surprises me; how about you?

This is food for thought and worthy of prayer. Pray for our church, our missionaries, and for eyes that will see and ears that will hear.
